Mii-Chan, what should I do?
On that day, cat ears and a tail grew on my lover.

Cat ears grew on Luka!
It's not cute, Luka is turning into a cat.
That's fine, I like cats.
That's not the problem!
Woow Luka so cute!
Hm?

Luka, for some reason I'm very wet!

*moist...

Kya sorry!

I just remembered that I had cats a while back, you're in the same state.

I get it, you're in heat!

I calmed them down by sticking a cotton swab inside and rubbing them.

Idiot!

Huh, what should I do in this situation then?

What are you doing?

Whoa, my body is moving on its own!

*rub

*rub

*rub

Don't speak any further!

My fingers are perfectly sized!

With the size of your body a cotton swab is too thin for you.

*twitch

*twitch

Yes, that's why we're going to take advantage of this occasion to have sex!

Nyan, my tail... Nyaa!

Wait wait!

Luka has only done kisses until now!

Mii-

Your boobs
are cute.

Oh, your cat ears disappea-red!

Why did I grow cat ears?

Seriously!?
so god couldn't let that one fly and told you what you were, a cat!
Until now you were struggling to know what you were and you couldn't have sex in this state,

第一話

What kind of day is this? How many people are doing their assign-ments?

Ah, s-sorry.

My partner is studying, do you have any time to spare for me?

*chomp

Well, there's probably not a single person who's going to hang out with me, but...

grab

It's alright, in this situ-ation...

Oh no! What should I do then?

Oh! Your life line is too short! You are in danger!

Extend the line with magic.

Let me go for a bit!

suddenly moves

Eh-

Let's go Misaki-chan.

Wha-

What the heck are you doing?

Who are you?

Wait!

Even if I didn't clearly know what her goal was, that person from earlier was studying me with a pure motive,

but I know nothing about you.

You are on your guard with me even though you trusted the palm reader you just met from earlier.

And how do you even know my name?

All of a sudden you acted as if you were my friend and you dragged me away by force, of course I'm going to be on my guard after that.

...

Oh... what?

*put glasses on

rustle

rustle

...We're certainly not friends.

I'm sorry!

(at school)

Yeah, we're from the same class, I'm Oosawa Tsubasa.

Are you Oosawa-san!?

Sob

Sorry...

Not remembering the face of your classmates is really the worst...

Well, I usually don't have a strong presence, it's a bit my fault too.

No, please don't say that it's not bad!!

Let me treat you as an apology!

Heeee... Oosawa-san, you're kind of cool.

gentle and cute.

on the other hand, you have exactly the same image that you have in school,

Ah, well,

But on top of that, my image of you is completely different from when you're at school, you know?

being intro-duced to a "teacher",

You know that kind of thing, basically being moved to another place,

and then people trying to force a sale onto you of shady items for an absurd amount of money, or inviting you to join a religion and the image they both have.

Do you know what egg curse scammers are? Amongst other things.

More like almost completely thought-lessly.

It suddenly came to mind.

Why did you speak to me?

I thought you would absolutely hang out with me.

What do you mean?

ED/N: For "Egg curse scam" see https://en.wikipedia.org/wiki/Fortune_telling_fraud

SPUT

The other day I had a divination about my family name, they told me the stroke count in my name brings bad luck, so I should buy a five hundred bucks seal to...

*50000¥

...Ah that's right!

?

I thought that if the stroke count in my name was bad my whole family would have bad luck too, so I could make everyone happy if I bought it.

She wanted to buy it if she had enough money for it!?

No, I don't have that kind of money.

You... you bought it?

Thanks for telling me about the earlier thing too, I'm really grateful, Oosawa-san.

But it was a scam, so I'm glad I didn't end up buying it!

You really know a lot!

Hihi

It was a sarcasm you dum-my.

Ah!

Oh, you're devoted to your family.

Misaki, today you're...

Even though up until earlier today you didn't remem-ber my face...

Then call me Tsubasa too.

Why are you embarras-sed?

Hehe.

I like you Oosawa.

Because I'm glad you called me by my name.

I'm an only child.

Alone? You weren't with one of your siblings?

...I see.

Oho.

You're way too shy.

Tsu-... Tsubasa-_chan, what were you doing today?

because dad's birthday is soon.

and buying things

I'm the one who's supposed to ask that, what were you doing all alone?

I was coming home from cram school.

Even though you have no guarantee your big sister would be your ideal big sister?

She looks exactly the same as you!

What!

Do you have any siblings, Tsubasa-chan?

Hey, you're twisting my words around! It would be a luxury just to have her.

Yes, I have one big sister.

Oooh I'm envious, I want a big sister too!

One moment, I'm going to the bathroom.

clack

Hahaha, you don't choose who's born after.

What does that mean?

it's a dream that can't come true.

Even if I got a sibling, it would be a little sister or a little brother with a huge age gap, so you see,

In any case it means that:

Don't touch me!

"Cut them!"

"What's that haircut?"

"Why are you so dumb? Follow my example"

I hate you dad, I hate you big sister, I don't need you!

"Tsubasa, do what your father tells you to do."

Are you going to the toilet too, Tsubasa-chan...?

Ah, what's up?

*rush

gasp

You're not refusing...

Tsubasa-chan...

Ah I get it, you like me?

despite us both... being girls...

But I'm not disliking it entirely,

could it be that...

I didn't mean "like" in that way...

Not good.

Stop, make me stop.

Tsubasa-chaaa....n

Me too...

I think I'm charmed by you too, Misaki...

I don't have a single doubt that she likes me.

She's really letting it happen as she said.

She has an overall pretty happy life.

Wow.

Do you like this too?

Uh... yes.

Is it no good?

Tsu-Tsubasa-chan!

That's...

Kya!

It is

It-

...not no good.

Then hold up your skirt by yourself.

Does she like it?

Even though she knows nothing about me.

Too easy.

this is too stupid.

She's fine with girls too!? Is she a slut!?

Get liked easily, get dumped easily.

But

isn't that stupid, until today she surely wouldn't have shown me her innocent and kind face to me.

Aaah, ah, ah!

Welcome home, how's your new cram school?

Good, there was a good teacher.
